

## ***City Council Discretionary Funds Grant Program***

Organization/Agency Name: Catholic Charities and Community Services of the Archdiocese of Denver, Inc - Serving Weld County

Address: 1442 N. 11th, Greeley, CO 80631

Contact Person: Enita Kearns-Hout

Phone Number: 970-396-2930

E-mail Address: EKearns-Hout@ccdenver.org

Brief Description of organization and the services/programs that are provided within the City:

For over 50 years, Catholic Charities has provided services in Weld County to our struggling elderly neighbors, who are impoverished, living paycheck to paycheck and often on the verge of homelessness or who are experiencing the trauma of homelessness. The Guadalupe Community Center office serves those with significant life challenges in Northern Colorado, including the City of Evans, and the Fort Lupton office staff provides services to the south county community. Catholic Charities Weld County serves distinct needs in the community: Emergency Assistance/Homeless Prevention, currently the only provider of Utility Assistance in the Greeley area, Victim Assistance, three shelter programs for those experiencing homelessness, family and kinship support services.

Current year annual budget: \$246,320

Current year budget summary identifying revenues & expenses: Please see attached budget summary.

Annual Audit Requirement (Y/N): Yes

Provide list of Board of Directors, key officers, and active volunteers: Please see attached list of Board of Directors

How is Board selected and by whom?: Board members are selected based on their alignment with the Catholic Charities' mission to help the poor, vulnerable and those in need. Additionally, Board members are selected based on a number of other criteria including their geographical location (we have ministries all across Northern Colorado), subject matter expertise (Board members also participate on sub committees like Finance, Early Childhood Education, etc.) and the diversity they can bring to the Board with their background and experience. Board members are approved by Senior Leadership including the President and CEO.

Grant request amount (\$): \$7,000

Will these grant funds support an existing program or be used to start a new program: These grant funds will support our existing older adult program.

Describe in detail how grant funds will be used: The Evans Older Adult Emergency Fund will be a flexible fund that will support one-time emergency needs solution related to the safety, health and welfare of Evans residents over 55. Our knowledgeable and compassionate staff with broad experience utilizing community resources will oversee this program and provide a supportive assessment of the need presented—most likely the needs assessment will occur in the Evans residents' homes. Examples: eviction prevention, minor home safety repairs, railing and bathroom modifications, emergency food and medicine support, water bills and water heaters, hearing, dental and vision needs, mattresses and mobility devices.

Describe in detail why we need this program: This funding will open new opportunities to serve a population that is often underserved with very limited support and resources: Evans' older adult residents or those kinship older adults with children in the Evans School District. We are so very fortunate to collaborate with Community Relations Administrator Teresa McClatchey who has shown our staff the needs for those in the Evans community—school children and the impoverished older adults in the Evans community. Together, we have shared resources and connections—her referral--resulting in our \$1,000 grant from Sam's Club to buy meat for sandwiches for hungry visitors coming to our shelter's door. We are fortunate to have the opportunity to share with Officer Teresa community needed items from our Donation Center--filling Officer Teresa's truck and then her car with much needed supplies from toothbrushes to socks and underwear and adult diapers, winter outdoor gear and so much more.

How many persons will benefit from these grant funds: Numbers helped will be dependent on the award amount and the cost per emergency need. The maximum one-time assistance will be \$500 per client.

How many Evans residents have received services from this program during the past year? Regarding weekly assistance calls to the Guadalupe Community Center 10-15 calls every week are from Evans' residents. In addition, case management support is provided to complete critical benefit applications. We also served many—in smaller but important ways—ex.--new socks and adult diapers, toothbrushes and more.

Will the grant cover all costs of the program (Y/N)? No, in many cases it will not cover all associated program costs.

If not, where will the balance of the funds come from? Funding will be leveraged to create other funding opportunities with organizations such as AV Hunter, Friend of Man, Women 2 Women, Salient Partners. Collaborations will stretch the funding dollars further and meet more needs.

Dear Sir/Madam:

This responds to your July 29, 2021, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2021*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2021* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Subordinate organizations are not listed in Tax Exempt Organization Search (Pub 78 data), and many are not listed in the Exempt Organizations Business Master

File extract, or EO BMF. Donors may verify that a subordinate organization is included in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

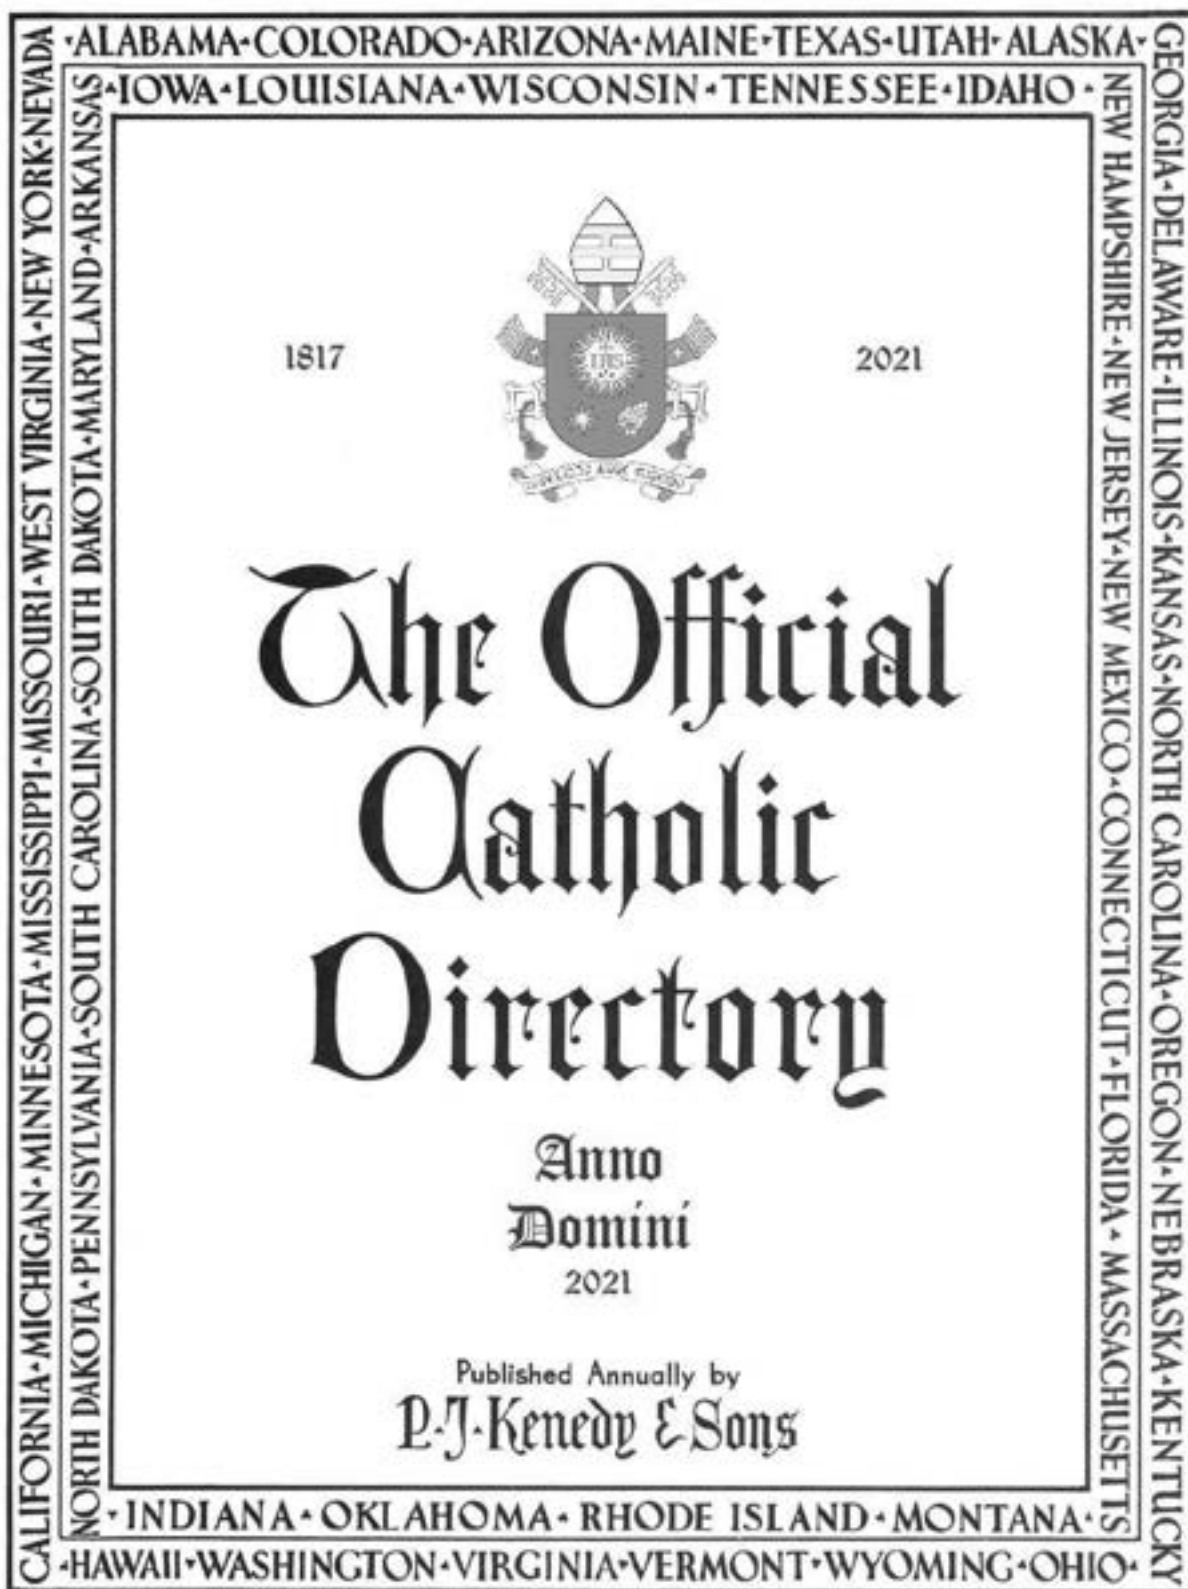

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

A handwritten signature in cursive script that reads "Stephen A. Martin".
